

Gateway Insurance Company Selects 4Sight Business Intelligence for Property & Casualty.

Gateway Insurance Company selects the 4Sight business intelligence product for their organization.

Austin, TX — 4Sight Business Intelligence, Inc., a leading provider of off-the-shelf property & casualty specific business intelligence products, announced that Gateway Insurance Company has chosen the 4Sight Business Intelligence for Property & Casualty solution for their lines of business which include General Liability, Commercial Auto, Worker's Compensation and other commercial lines.

“Being able to see our data in a short time through the 70+ reports and dashboards, as well as drag-and-drop ad-hoc reporting provides us the ability to better understand our business and to view it from many different angles,” said Mike Anagnost, Chief Information Officer of Gateway Insurance Company. “4Sight for P&C with its What-If capabilities will help us be able to analyze our data to enable us to better forecast and to react to various changes.”

4Sight allows Gateway to have one reporting source for all of their different data sources,” explained Robert Clark, Development Director at 4Sight, “Due to our standards based methodologies, we are able to implement our business intelligence solution to any size carrier at an extremely affordable price. We typically have carriers looking at reports in less than 45 days..”

Mike Anagnost said they are extremely impressed with the capabilities of the 4Sight product as well as that of the staff and their ability to transfer that knowledge to the Gateway staff.

4Sight for Property & Casualty is a complete, affordable, solution with over 70 preconfigured reports, dashboards and hundreds of analytics. With “what-if” capabilities and ease-of-use, whether in Underwriting, Claims, Billing, management, reinsurance or other areas, you can find your answers. The standardized processes allow carriers to typically have users viewing reports in less than 45 days! Made for carriers of all sizes. Such as American Alliance, Mutual Aid Exchange, AXA Re P&C, Dallas National Insurance, American Physicians, Great American and the NC Farm Bureau, among many others. We support multiple platforms (windows, UNIX, Linux, S/Z, iSeries, others) and your choice of database (SQL, Oracle, DB2, Image, others).
