

Global Aerospace Selects 4Sight Business Intelligence for Property & Casualty.

Global Aerospace selects the 4Sight business intelligence product for their organization.

Austin, TX — 4Sight Business Intelligence, Inc., a leading provider of off-the-shelf property & casualty specific business intelligence products, announced that Global Aerospace, Inc. has chosen 4Sight Business Intelligence for Property & Casualty Insurance.

“4Sight’s ad-hoc report, dashboards and reports provide us with an excellent way to offer more reporting capabilities to our internal users as well as extending additional information to our broker agents.” said Thomas Assenza, Senior Vice President Global Aerospace, Inc. “4Sight Business Intelligence for P&C is giving us the ability to look at our data globally and regionally in a number of different ways that helps us better analyze our business.”

"Our emphasis continues to be providing a product with easy installation and the ability to expand as needed which satisfies carriers of all sizes," explained Robert Clark, Development Director at 4Sight, "Global Aerospace easily fits in to the 4Sight model as 4Sight has been designed to fit any type of property & casualty insurance. 4Sight allows Global Aerospace to have superior enterprise class business intelligence on a fixed price basis."

Assenza said they had were impressed with the experience of the staff and the ability of 4Sight to be able to bridge their global systems, allowing them to have one source for all of their reporting needs without it becoming a major project with a long and costly implementation cycle.

4Sight for Property & Casualty is a complete, affordable, solution with close to 100 preconfigured reports, dashboards and hundreds of analytics. With “what-if” capabilities and ease-of-use, whether in Underwriting, Claims, Billing, management, reinsurance or other areas, you can find your answers. The standardized processes allow carriers to typically have users viewing reports in less than 45 days! Made for carriers of all sizes including American Alliance, Mutual Aid Exchange, AXA Re P&C, Dallas National Insurance, Artisan Contractors Insurance, Chautauqua Patrons Insurance, Preferred Auto, American Leader, American Physicians, Gateway Insurance, Great American and the NC Farm Bureau, among many others. We support multiple platforms (windows, UNIX, Linux, S/Z, iSeries, others) and your choice of database (SQL, Oracle, DB2, Image, others).
