

Kentucky Growers Insurance Selects 4Sight Business Intelligence for Property & Casualty.

Kentucky Growers Insurance selects the 4Sight business intelligence product for their organization.

Austin, TX — 4Sight Business Intelligence, Inc., a leading provider of off-the-shelf property & casualty specific business intelligence products, announced that Kentucky Growers Insurance Company has chosen 4Sight Business Intelligence for Property & Casualty Insurance.

“4Sight’s reports and dashboards, coupled with their ad-hoc reporting provides us with an excellent way to provide more reporting capabilities to both our internal users as well as the agencies we work with.” said Garland Farmer, President of Kentucky Growers Insurance. “4Sight Business Intelligence for P&C gives us the ability to provide all the features with little effort and much less time and expense that we might otherwise have spent.”

"Our emphasis continues to be providing a product with easy installation and the ability to expand as needed which satisfies carriers of all sizes," explained Robert Clark, Development Director at 4Sight, "Kentucky Growers Insurance represents a large segment of the insurance industry in that they are a smaller carrier with the same reporting needs of much larger carriers. 4Sight allows Kentucky Growers to have this functionality at a price point that fits their budget while providing superior business intelligence capabilities,"

Farmer said they had were impressed with the experience of the staff and the ability of 4Sight to be able to bridge their multiple systems, allowing them to have one source for all of their reporting needs without it becoming a major project with a long and costly implementation cycle.

4Sight for Property & Casualty is a complete, affordable, solution with close to 100 preconfigured reports, dashboards and hundreds of analytics. With “what-if” capabilities and ease-of-use, whether in Underwriting, Claims, Billing, management, reinsurance or other areas, you can find your answers. The standardized processes allow carriers to typically have users viewing reports in less than 45 days! Made for carriers of all sizes including American Alliance, Mutual Aid Exchange, AXA Re P&C, Dallas National Insurance, Artisan Contractors Insurance, Chautauqua Patrons Insurance, Preferred Auto, American Leader, American Physicians, Gateway Insurance, Great American and the NC Farm Bureau, among many others. We support multiple platforms (windows, UNIX, Linux, S/Z, iSeries, others) and your choice of database (SQL, Oracle, DB2, Image, others).
