

# Kingsway Amigo Insurance Company Selects 4Sight Business Intelligence for Property & Casualty.

*Kingsway Amigo Insurance Company selects the 4Sight business intelligence product for their organization.*

**Austin, TX** — 4Sight Business Intelligence, Inc., a leading provider of off-the-shelf property & casualty specific business intelligence products, announced that Kingsway Amigo Insurance Company has chosen 4Sight Business Intelligence for Property & Casualty Insurance.

“4Sight’s out-of-the box capabilities with regards to reports and dashboards, coupled with their ad-hoc reporting provides us with all the tools we need to provide flexible reporting capabilities.” said Alberto Naon, President and COO of Kingsway Amigo Insurance Company. “4Sight Business Intelligence for P&C provides us with state of the art business intelligence capabilities with little effort and in a lot less time than we would have taken otherwise.”

"Kingsway Amigo Insurance represents a large segment of the insurance industry in that they are a smaller carrier with the same reporting needs of much larger carriers. 4Sight allows Kingsway Amigo Insurance to have this functionality at a price point that fits their budget while providing superior business intelligence capabilities," explained Robert Clark, Development Director at 4Sight, "Our emphasis continues to be providing a product with easy installation and the ability to expand as needed and making it satisfy carriers of all sizes."

Naon said they had were immediately impressed with the product and the ability of 4Sight to be able to bridge their multiple systems, allowing them to have one source for all of their reporting needs without it becoming a major project with a long and costly implementation cycle.

4Sight for Property & Casualty is a complete, affordable, solution with close to 100 preconfigured reports, dashboards and hundreds of analytics. With “what-if” capabilities and ease-of-use, whether in Underwriting, Claims, Billing, management, reinsurance or other areas, you can find your answers. The standardized processes allow carriers to typically have users viewing reports in less than 45 days! Made for carriers of all sizes including American Alliance, Mutual Aid Exchange, AXA Re P&C, Dallas National Insurance, Artisan Contractors Insurance, Chautauqua Patrons Insurance, Preferred Auto, American Leader, American Physicians, Gateway Insurance, Great American and the NC Farm Bureau, among many others. We support multiple platforms (windows, UNIX, Linux, S/Z, iSeries, others) and your choice of database (SQL, Oracle, DB2, Image, others).
