

MutualAid eXchange Selects 4Sight Business Intelligence for Property & Casualty.

MutualAid eXchange selects the 4Sight business intelligence product for their organization.

Austin, TX — 4Sight Business Intelligence, Inc., a leading provider of off-the-shelf property & casualty specific business intelligence products, announced that MutualAid eXchange has chosen the 4Sight Business Intelligence for Property & Casualty solution for their United States and Canadian business.

“We liked the system as soon as we saw it. With the what-if capabilities, ad-hoc reporting, and a slew of standard reports and dashboards, we can get off the ground in a short time,” said Paul Heacock, CIO of MutualAid eXchange. “4Sight for P&C will help us monitor our business and help us look ahead in a time sensitive manner.”

"MutualAid eXchange is moving to a new policy administration suite and this will allow them to transition without interfering with their reporting needs as it provides a single source for data and a clean transition path," explained Robert Clark, Development Director at 4Sight, " Due to standard based methodologies, we are able to implement our business intelligence solution to any size carrier at an extremely affordable price. We typically have carriers looking at reports in less than 45 days."

Heacock said they are impressed by the knowledge and depth of experience that 4Sight brings to the implementation and the breadth of reports and dashboards with analytics that 4Sight for P&C has on day one.

4Sight for Property & Casualty is a complete, affordable, solution with over 50 preconfigured reports, dashboards and hundreds of analytics. With “what-if” capabilities and ease-of-use, whether in underwriting, claims, Billing, management, reinsurance or other areas, you can find your answers.

About MutualAid eXchange

MutualAid eXchange is a reciprocal insurance provider owned by its membership and serves Anabaptist, Brethren, Quaker and other similar groups throughout the United States and Canada. MutualAid eXchange blends property and casualty insurance (home, farm, church and business) protection with care and support from a Mutual Aid Ministries program to "create and sustain wholeness" when physical, emotional or spiritual support is needed. Mutual Aid Ministries extends its resources beyond the connection to an insurance policy and often collaborates with the local congregation, the larger church and church related agencies to positively affect people who are facing a crisis or burden. **For more information, visit www.maxwholeness.com, email wholeness@maxwholenss.com or call 877-971-6300.**
